

IASA Position Statement regarding Law Enforcement on trails:

As the lead organization promoting excellence in the management of organized recreational snowmobiling, the International Association of Snowmobile Administrators recognizes the presence of professional and proactive enforcement is critical to the success of comprehensive snowmobile program management that includes legislation and safety education.

The ultimate objective of enforcement is to achieve voluntary compliance with rules and regulations helping to ensure environmental protection and to afford opportunity for safe, compatible enjoyment of various recreational activities on all lands.

Coordinated volunteers, and enforcement will result in significant improvements in the quality of the experience and rider safety.
